

# Excel DIN rail mountable module for Keystone Jacks

Item Code: 100-701

✕ DIN rail mountable

✕ Integrated dust cover

✕ Integrated label holder

## Product Overview

The Excel DIN Rail mounting bracket allows keystone jacks to be mounted singularly onto a standard 32mm DIN Rail at an angle to reduce bend radius and save space within the enclosures when mounted. Each mounting bracket has an integrated dust cover for protection on unused ports and individual labelling areas for identification.

When used with Screened Keystone jacks, the grounding spring makes contact with the outer casing of the keystone jack to give a secure earthing point through to the Din Rail.

## Product Specifications

Feature	Values
Type of fastening	DIN rail (top hat rail) 32 mm
Type of DIN-rail adapter	Straight
Material	Plastic
Height	67.5 mm
Width	18 mm
Depth	70.5 mm
