Product Overview

The Excel Fast RJ45 plug + Boots are easy to use on both Category 6 and Category 5e unscreened cables. Supplied in a handy pack of 100 pieces using plastic free packaging the plug and boot are simple to use, terminate and crimp especially when using the Excel Fast Termination Tool (Sold separately).

The Tool features an ergonomic ratchet & release cushion handle making easy work of crimping the RJ45 Plug whilst trimming the excess wire leaving the end of the plug completely flush at the same time aligning the transparent boots perfectly to the RJ45 plug.
